

PRO CALIBER LACROSSE

Policies and Code of Conduct Package

Welcome to Pro Caliber Lacrosse (“PCL”). PCL is the premiere development and travel program in British Columbia. We are dedicated to growing the game by assisting youth and high school players improve their game skills as well as providing the opportunity to gain exposure to lacrosse programs of major Canadian and American Universities.

We were founded in 2017 by Tyler Pace. Among Tyler's lacrosse achievements are an NCAA Championship (University of Denver 2015) a Minto Cup Championship (Captained the Coquitlam Junior Adanacs in 2016), and an NLL Championship (Calgary Roughnecks 2019). Tyler and his coaching staff played their minor, junior and senior lacrosse in British Columbia, earned lacrosse scholarships from top Division I and II Universities. They are active professionally in the National Lacrosse League (“NLL”) as well as the Premier Lacrosse League (“PLL”) and on the World stage for Team Canada.

Our student-athletes learn from some of the best lacrosse players in the world and develop fundamental life skills that promote long-term, individual accomplishments. We not only travel to high-level recruiting tournaments in the United States, but we also host successful recruiting events in British Columbia and provide local, youth players with affordable, quality, life-changing opportunities.

PCL programs are built upon the same foundations that have proven successful at top universities and lacrosse programs in North America; world-class coaches, no parent involvement, and accommodating payment plans. We support and encourage academic success by providing our players with standardized test preparation and emphasizing the importance of education. We are continuously building new relationships with universities all across North America who approach our staff in hopes of recruiting PCL's most accomplished student-athletes.

FEES, PAYMENTS AND ADDITIONAL COSTS

I acknowledge and agree to submit full payment of fees for PCL, by the methods authorized by PCL, within the deadlines set out by PCL. Failure to submit payment for all fees to PCL in accordance with the deadlines set out by PCL may result in forfeiture of participation rights in PCL programs.

PCL endeavours to advise all potential fees and costs up front, prior to registration in PCL programs. However, unforeseen additional costs, such as insurance premiums, for example, may not be fully known at the time or may change. PCL will provide notice of any additional costs and will make efforts to avoid such additional costs. I acknowledge the prospect of additional costs, which will go beyond the fees quoted initially by PCL and agree to pay additional costs upon the provision of notice by PCL thereof.

REFUND POLICY

PCL reserves the right to reschedule or cancel a practice session or tournament participation, at any time, due to unforeseen circumstances including but not limited to insufficient registration or student-athlete participation (due to injury or absence), facility availability, tournament cancellation, airline disruptions, border closures or forecasted weather conditions. PCL strives to let clients know as soon as possible if a session must be rescheduled or cancelled. In an effort to keep roster numbers to a manageable level to provide student-athletes with maximum playing time and tournament exposure, as well as the need for funds to ensure acceptance into tournaments- PCL is not able to provide refunds where student-athletes are not able to attend a tournament or finish out the season. In the event of injuries, family relocation, or other unforeseen circumstances PCL will endeavour to provide partial refunds on a case-by case basis.

In the event that PCL programs are rendered impracticable or unlawful due to government restrictions on the number of individuals at gatherings or restrictions as to interpersonal contact, PCL will endeavour to refund PCL members a portion of the fees paid to PCL which have not already been allocated for use in the facilitation of PCL programs.

Further, PCL maintains the right to suspend or terminate student-athletes if they fail to uphold the Student Athlete Code of Conduct. I accept that PCL will not tolerate student-athletes being disrespectful, and behaviour by my student-athlete, which in the discretion of PCL is detrimental to the PCL community, may result in my student-athlete being terminated or suspended from PCL participation.

Refund requests must be submitted by email and shall be subject to review at the sole discretion of PCL.

In consideration of the Registrant being permitted by PCL to participate in the Activities, and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I agree to the foregoing policies and conditions for PCL student-athlete participation.
